

Free Recruiting Resources For Student Athletes

- CBound Schools Sponsorship Program –

CBound was designed with the idea that athletes and parents should handle the recruiting process themselves, saving the expense of a costly recruiting service. Its informational guide was created with this in mind. In this spirit, CBound, in association with NextPlay Productions, and PrepVolleyball, is offering a limited set of sponsorship-supported recruiting resources, **free** to student-athletes. These include the following:

- Gold Membership to CBound (www.cbound.com, approx. \$40)
- Recruiting Video From NextPlay (www.nextplayproductions.com, approx. \$225)
- Two 30-minute advisory sessions with CBound (for first 50 participants, approx. \$100)
- One-Year Membership with PrepVolleyball (www.prepvolleyball.com, approx. \$30)
- Registration to the 2010 PrepVolleyball Recruiting Combine (approx. \$20)

So what is 'the catch' ? As part of the upcoming re-launch of its upgraded site, CBound is offering long-term exclusive sponsorships in CBound Schools. As students often do with their school's sports program, the athlete can refer a sponsor to CBound Schools. Once that sponsor has completed the simple registration to secure a sponsorship, the student athlete will receive the three items in the package. To participate simply:

1. Register for CBound Schools (free registration)
2. Find a sponsor for a college(s) in CBound Schools (companies have the option of sponsoring more than one school). See page two of this document for information to provide to the sponsor.
3. Give the sponsor your CBound username, and make sure the sponsor enters this in the 'Referrer Username' field when they complete the simple on-line registration for their sponsorship.
4. Within 48 hours of CBound receiving the sponsorship, your CBound registration will be upgraded to Gold, and information will be e-mailed to you on how to get your free video from NextPlay (or a \$225 credit for a higher priced option), your PrepVolleyball Membership (or one-year renewal), and your free sessions with CBound.

For more information on the CBound Schools sponsorships, and a flier to give to sponsors, see page two of this document, or go to www.cbound.com/sponsors. You can also contact CBound via e-mail at sponsor@cbound.com.
